## Experience

### Co-Founder and CTO

**Jun 2022 - Present**

Poppin Technologies - Full-time

[www.joinpoppin.com](http://www.joinpoppin.com)

- Built mobile app, data structure, and UI/UX from ground-up with a modern Swift tech stack in three months.
- Scaled app by 25,000% to 18,000 MAU with 500+ organic user-hosted events, breaking Top 100 on App Store.
- Improved end-user experience with Firebase integration, online payments, and ticketing.
- Led web/mobile development team of 4 with, dynamic content/linking, and payment integration.

### Founder and CEO

**Jan 2021 - Present**

Flowductive - Part-time

[www.flowductive.com](http://www.flowductive.com)

- Brought Flowductive to Startup UCLA Summer Accelerator, raising \$5,000, as the youngest solo founder.
- Self-built 5 iterations of a iOS + macOS productivity app; web landing page; and 3 open-source Swift packages.
- Raised and managed company's socials, internship cohort of 18; and captured interest from industry-leading VCs.
- Represented at UCLA startup programs, including events hosted by Bruin Labs and Bruin Entrepreneurs.

### iOS Developer

**Nov 2020 - Present**

Yatco - Full-time

[www.yatco.com](http://www.yatco.com)

- Improved web SEO for a yachting MLS website with 600+ visitors/day in traffic.
- Parsed 2000+ yacht builder data objects from sites into JSON using Python scripts.
- Developed leading-edge mobile Charter/Consumer application, disrupting a \$10 billion market.

### iOS Developer

**Dec 2021 - Feb 2022**

Edvora - Internship

[www.edvora.com](http://www.edvora.com)

- Stabilized and widened the mobile device compatibility of a global SaaS education solution.
- Improved the quality and scalability of the future of Ed-tech in education, technology, finance, and enterprise.

### Code Sensei

**Jan 2020 - Apr 2021**

Code Ninjas - Part-time

[www.codeninjas.com](http://www.codeninjas.com)

- Taught kids ages 7-14 how to code in languages such as Swift, JavaScript, Lua, and Python.
- Directed, supervised, and taught children coding skills during several themed summer camps.
- Hosted and assisted with routine online code learning sessions over Zoom.

### Customer Service Agent

**Dec 2016 - Jun 2020**

Publix - Part-time

[www.publix.com](http://www.publix.com)

- Worked as an item bagger, then a cashier, then a customer service agent, for one year each.
- Recognized 7 times for outstanding customer service and continually achieved "Exceeding Expectations" and "Role Model" marks in biannual performance evaluations.
- Promoted twice for demonstrated leadership and proactiveness.
