Experience

Founder and CEO   Jan 2021 - Present
Flowductive – Self-employed   www.flowductive.com

- Brought Flowductive to Startup UCLA Summer Accelerator as the youngest solo founder.
- Self-built 5 iterations of a iOS + macOS productivity app; web landing page; and 3 open-source Swift packages.
- Raised and managed company's socials, internship cohort of 18; and captured interest from industry-leading VCs.
- Spoke at several UCLA startup programs, including events hosted by Bruin Labs and Bruin Entrepreneurs.

Co-Founder and CTO   Jun 2022 - Present
Poppin Technologies – Part-time   www.joinpoppin.com

- Rebuilt mobile app, data structure, and UI/UX from ground-up with a modern Swift tech stack.
- Improved end-user experience with dynamic content, deep linking, and Stripe payment integration.
- Led web platform development with Firebase integration, online payments, and ticketing.

iOS Developer   Nov 2020 - Present
Yatco – Full-time   www.yatco.com

- Improved web SEO for a yachting MLS website with 600+ visitors/day in traffic.
- Parsed 2000+ yacht builder data objects from sites into JSON using a custom Python script.
- Developed leading-edge mobile Charter/Consumer application, disrupting a $10 billion market.

iOS Developer   Dec 2021 - Feb 2022
Edvora – Internship   www.edvora.com

- Stabilized and widened the mobile device compatibility of a global SaaS education solution.
- Improved the quality and scalability of the future of Ed-tech in education, technology, finance, and enterprise.

Code Sensei   Jan 2020 - Apr 2021
Code Ninjas – Part-time   www.codeninjas.com

- Taught kids ages 7-14 how to code in languages such as Swift, JavaScript, Lua, and Python.
- Directed, supervised, and taught children coding skills during several themed summer camps.
- Hosted and assisted with routine online code learning sessions over Zoom.

Customer Service Agent   Dec 2016 - Jun 2020
Publix – Part-time   www.publix.com

- Worked as an item bagger, then a cashier, then a customer service agent, for one year each.
- Recognized 7 times for outstanding customer service and continually achieved "Exceeding Expectations" and "Role Model" marks in biannual performance evaluations.
- Promoted twice for demonstrated leadership and proactiveness.
